

**MID-MICHIGAN ASSOCIATION OF ASSESSING OFFICERS
BOARD MEETING MINUTES – SEPTEMBER 17, 2007
FULL CITY CAFÉ - PORTAGE, MI**

1:00pm meeting called to order by President Falkenberg.

Members Present: Andrew Falkenberg, Tim Vandermark, Mary Ellen Loar, Julie Pulling, Amanda Lacelle, Marcia Bail, Art Grimes

Treasurer Loar reported that the checking account has approximately \$3,300

The next general membership meeting was set for Wednesday, November 7th and it was determined that this meeting will commemorate the 50th year anniversary of Mid-Michigan Association of Assessing Officers (MMAAO). Additional activities will be planned such as recognition of all known former presidents and a commemorative 50th year anniversary gift will be provided to those attending. An additional \$5 will be charged to cover expenses for this meeting.

Possible meeting locations were discussed and members were to report findings and details via email. It appeared that the Pierce Cedar Creek Institute near Hastings might be selected for the meeting location.

It was decided that the membership would be invited to participate in designing a MMAAO logo and that logo proposals should be submitted to the Board by September 28th. The submitted designs will be sent out for the membership to vote on prior to the November meeting. The person who submits the winning logo will have their 2008 membership dues covered and their MMAAO meeting fees for the 2008 covered.

It was decided that the MMAAO website arrangement should be finalized and President Falkenberg was told to proceed. The cost would be \$8.95 per month. The site will have links to IAAO, MAA etc.

There was discussion on the State Assessors Board changes particularly with regard to education. It was suggested that MMAAO attempt to provide required education if not satisfactorily or conveniently provided by the Michigan Assessors Association and the State Assessors Board.

2:30 pm meeting adjourned.
