Organization Reports:

MAA: Marty Marshall reported that the short courses did well at all three sites. There were 40 less students this year than last year. Traverse City will replace Gaylord for the 2010 short courses at the Great Wolf Lodge.

IAAO: Marty Marshall reported that the 75th Conference in Louisville, Kentucky was well attended. Better attendance than Milwaukee but less than Reno. The Open House held at the Mohammad Ali Museum was a huge success and Marty urges the Grand Rapids committee to look at modeling that event for their conference in 2013. The Conference

hotel is negotiating with IAAO over room pick up fees. Elections will be held in November and Michigan has the best voter turnout with 138 votes. IAAO just finished their "Leadership Days," where much of their committee work gets done. Communication committee is in charge of website updates.

STC: No report.

SAB: No report.

MTT: Andrew Falkenberg noted that he's received several hearings prior to Thanksgiving and MTT is now scheduling more in person hearings, vs telephonic. Marty Marshall suggested that it might be a result of the higher demand for in person hearings. Art requests that the secretary send a correspondence to MTT favoring telephonic hearings.

MAED: No report.

BSA: Dan reported that their working on the 4017 with the STC for accuracy.

Other Business:

Guest Speaker: Lewis Rogers introduced Scott Engerson from Grand Rapids. Scott demonstrated how Pictometry was successful in completing a reappraisal for the City of Grand Rapids. Lewis pointed out that the reappraisal passed the 14 point review very favorably.

Meeting adjourned at approximately 2:10pm.
